

Gregory Wessel
Chief Operating Officer
Senior Vice President, Operations and Support

Greg Wessel joins Triumfant with more than 37 years of Intelligence experience as a Technical Senior Executive working for the National Security Agency in Ft. Meade, MD. Wessel has extensive knowledge of Computer Network Operations, including Computer Network Defense, Computer Network Exploitation, and Computer Network Attack. Prior to joining Triumfant, Wessel served as the Signals Intelligence (SIGINT) Cyber Technical Director, where he was responsible for developing and driving the technical vision for SIGINT Cyber technical initiatives. In this position he also advised the SIGINT Directorate on technical issues related to Cyber that were strategically, operationally and/or financially relevant to the SIGINT mission. During his time with the NSA, Wessel held several Technical Executive leadership positions and was responsible for creating Red (attack) and Blue (defend/evaluate) teaming in the Intelligence Community while serving as the Technical Director in the System Network Attack Center in the Information Assurance Directorate. He was responsible for the development and implementation of numerous networking methodologies and technologies. He was also responsible for providing security analysis, evaluations, and guidance on strategic Cyber initiatives and worked with numerous corporate entities and academia to develop more effective and stronger partnerships and Cyber technical relationships. Wessel holds a Bachelor of Science in Computer Science from the University of Maryland College Park and a Master of Science from the Johns Hopkins University.
